

OUR VISION

Our vision is to harness the power of languages and communications for the transformation of Africa

SELECTED CLIENTS

Over its several years of existence, Shalom Consult has served dozens of clients across the African continent. To date, we are proud to claim:

- Over 15 years of service to more than 20 brands and international organizations
- Offices in East, Central and West Africa
- A database of over 1500 media professionals across Africa and in the diaspora
- More than 50 experienced communicators and linguists based in Africa
- Over one million words translated
- And hundreds of hours of interpretation

We especially appreciate the continued patronage and trust of the following organizations and companies:

About Us

Shalom Consult Ltd (SCL) offers tailored communications and language services for clients in development, private and public sectors across Africa.

Formerly known as shalom Language Services, we recently expanded and rebranded our portfolio to reflect our communication services. We also increased our number of offices to cover West Africa.

With over 15 years of experience in the translation and communication landscape, we value the importance of a perfect blend between effective communication, cultural diversity, and language accuracy; hence, to partner and support you in your journey of making an impact on the continent, our services focus on the following two offers:

Communication Services :

- Online Community Management
- Personal Branding
- Desktop Publishing
- Event Planning
- Strategic Communication
- Corporate Communication
- Project Visibility and Stakeholder Engagement
- Media relations and Press Release
- Influencer Management
- internal Communication
- Media Training

OUR MISSION

Our mission is to become the preferred communication & language partner for development to private and civil society actors operating in Africa to help them best handle cultural and linguistic challenges created by the continent's diversity

OUR CORE VALUES

Our company cherishes the following values:

- Diligence
- Solution-oriented
- Customer-centric
- Quality assurance
- Value for money
